info...

xtend keratin replenishing calming balm

... is a botanically blended, keratin infused, weightless, non-flaking and smoothing potion. This sodium chloride free formula will benefit all hair types whether or not a Simply Smooth keratin treatment has been applied. When used after a Simply Smooth keratin treatment, xtend keratin calming balm will prolong the keratin treatment.

- Eliminate frizz, smooths & shines
- Infuses highest quality keratin into hair fibers
- Speeds up blow dry time
- Sodium Chloride free

directions:

After shampooing and conditioning with the appropriate Simply Smooth xtend products, apply xtend keratin replenishing calming balm to wet hair. Style using a blow dryer, or allow hair to air dry. Xtend keratin replenishing calming balm will produce a smoothing affect when heat is applied. When air drying, you will achieve a soft "no crunch curl."
